ADMINISTRATIVE ORDER
NO. 2012-061

In order to protect and provide for the health and well-being of juveniles who are incarcerated in the Maricopa County Jail System, and to prevent the spread of infectious diseases, the following Administrative Order is entered:

IT IS HEREBY ORDERED that Maricopa County Correctional Health Services is authorized to provide to all juveniles incarcerated at the Maricopa County Jail, at the first possible opportunity after their initial admission to the Maricopa County Jail, a comprehensive health assessment which shall include, but is not limited to, the following:

1. A complete medical history;
2. A physical examination, which may include screening for infectious diseases including sexually transmitted diseases, pelvic examinations, breast examinations, HIV testing, and all medically appropriate follow up care and treatment;
3. A mental status evaluation and treatment, if necessary;
4. A dental assessment and treatment, if necessary;
5. Any clinical laboratory tests, including x-ray, which are medically necessary for the evaluation of a juvenile's health status; and
6. All medically appropriate immunizations.

IT IS FURTHER ORDERED that during the course of the juvenile's incarceration in the Maricopa County Jail that Maricopa County Correctional Health Services is authorized to provide medically appropriate care and treatment, including dental and mental and behavioral health services, consistent with the health care needs of the juvenile and the comprehensive health assessment referenced above, and may, in its discretion, determine whether outside specialty care is indicated for the juvenile. In cases in which outside specialty care is indicated, Maricopa County Correctional Health Services is authorized to have the juvenile transported for care at another location.

IT IS FURTHER ORDERED terminating Administrative Order No. 98-027.

Dated this 15th day of May, 2012.
